LOREVA

EVA KOZMETİK A.Ş.

Featuring several world-renowned brands, Eva Kozmetik A.Ş. serves with LOREVA® and LRV® brands since 2020 using state-of-the-art machinery and equipment with more than 10 years of experience and know-how.

Aiming to always be one step ahead of the competition with its quality and price performance, our brand produces cosmetics product groups including perfume, reed diffuser, auto perfume, body mist, and cologne etc. in European standards based on the latest trends in the sector in accordance with ISO 22716:2007 Cosmetic-GMP, HALAL (MS 1500:2009), OHSAS 18001:2007 Occupational Health and Safety Management, ISO 14001:2015 Environmental Management System, ISO 9001:2015 Quality Management System, ISO 45001 Workplace and Occupational Health and Safety standards, as well as the recommendations of the International Fragrance Association (IFRA).

Eva Kozmetik exports to several countries worldwide, thus brought its success across the borders, and is among the top 100 exporters in its sector. The company aims to represent our country in the best way in the world and to increase its business volume by sustaining its steady growth.

VISION

To make high-quality products accessible anywhere in the world by understanding the needs of the sector with a customer-centric approach and quality and price policy and to become a preferred brand both domestically and abroad.

MISSION

To introduce cosmetics products to the world by offering products that are accessible through a different and reliable and affordable price policy with an innovative R&D approach.

To produce high-quality products using modern and cutting-edge technology with a customer-centric approach.

By fulfilling the legal obligations, to contribute to social and economic development by continuously improving the competence of its employees through an organizational structure that respects and learns ethical values.

OUR VALUES

Innovative

We apply new ideas, technologies and approaches and embrace change to continuously improve products, our services, processes and ourselves.

Dynamic

We use resources correctly and in time, make daring and quick decisions, and implement them.

Team Spirit

We collaborate to achieve common goals by trusting each other, and share our ideas and talents with pleasure at every opportunity.

Passionate

We do our work with faith and passion, push our limits to be the best, and work with passion.

Responsible

We do not abstain from taking responsibility, and respect ethical values without compromising on honesty and quality.

Result-oriented

We ensure that everything we start is 100 percent successful.

Continuous Development

We watch and follow the world with a continuous development approach.

Environmental Sensitivity

We are sensitive to people and nature. We do our part completely.

Reed Diffuser

Make your mark in your living spaces with the LOREVA reed diffuser, which brings a sensation of vitality, energy and freshness...

50 ml

100 ml

SEAWED

Imagine of a beach that attracts you with its smell...

The "Seaweed Reed Diffuser" brought by LOREVA takes you to the long beaches with its smell. The aromatic fruits in the upper notes give you the feeling of waking up on a tropical beach, and the marine scent rising from the middle notes takes you on a beautiful coastal journey thanks to its unique harmony with the jasmine flower.

RAINBOW

A joyous meeting of fruits, flowers and exotic odors...

The "Rainbow Reed Diffuser" brought by LOREVA gives you a carnival of fragrance with the meeting of Italian tangerine, offering Mediterranean breezes, with white flowers. The iris flower on the base notes of the fragrance reveals its elegance.

ROSE

The admirable nobility of the rose with its refreshing touch...

The "Rose Reed Diffuser" brought by LOREVA affects you immediately with the rose, symbol of elegance and nobility, combining with the freshness of flowers in the heart note making you feel like you are in the rose gardens.

SNOWDROP

The revitalizing and unparalleled glitter of the galanthus...

The "Snowdrop Reed Diffuser" brought by LOREVA greets you with the energy of fresh and vibrant flowers. The citrus notes refresh the atmosphere, while the dazzling galanthus refreshes with a fresh spring breeze.

MELON

The summer-inspiring atmosphere of sweet fruits combined with melon...

The "Melon Reed Diffuser" brought by LOREVA makes you always feel the special flavors of summer. It gives a feeling of freshness and energy to your place with the combination of melon note with the strawberry and floral fragrances in the heart note.

LAVENDER

The tranquil effect of an enchanting walk in the lavender gardens surrounded by aromatic touches...

The "Lavender Reed Diffuser" brought by LOREVA relaxes you with its therapeutic effect. The relaxing effect of lavender attracting you from the first moment and the eucalyptus in its heart note provide liveliness.

LEMON

Energizing lemon glow surrounded by cooling mint and aromatic herbs...

The "Lemon Reed Diffuser" brought by LOREVA makes you feel alive from the moment you smell it. Inspired by the Mediterranean shores, lemon, mint and eucalyptus combine and refreshes your energy.

MANGO

A fascinating mango passion that embraces unique exotic fruits...

The "Mango Reed Diffuser" brought by LOREVA revives the atmosphere with tropical breezes. It captivates you with the combination of tempting mango fruit grown in South Africa with the orange blossom in heart notes.

ANGEL

The angelic dream of a delicate bouquet of roses and cannellaria and the harmony of musk...

The "Angel Reed Diffuser" brought by LOREVA takes you to the dream gardens. Rose and cannellaria within the fragrance enhances the scent of the environment with their perfume effect.

OCEAN

The deep blue, calming and peaceful ambiance of an endless ocean...

The "Ocean Reed Diffuser" brought by LOREVA offers a unique atmosphere by combining the marine notes bringing the breeze at the ocean shores with the magnificence of white flowers in the heart note.

GUM

A delightful gum enriched with strawberries, vanilla and caramel...

The "Gum Reed Diffuser" brought by LOREVA attracts you with the sugar-like fragrance of vanilla and caramel. The scent from the blending of fruit notes comes together with luxury caramel, leaving an essential sweet feeling.

PEACH

Sweet peaches meeting white flowers...

The "Peach Reed Diffuser" brought by LOREVA offers stunning and attractive experiences with sweet peach energizing the environment, white flower in the middle notes and musk harmony in the base notes.

COOL WATER

A cooling wave of refreshing aquatic notes surrounded by a calming breeze...

The "Cool Water Reed Diffuser" brought by LOREVA offers menthol and citrus notes at the beginning with a refreshing effect on you. The floral notes in the heart notes with the marine notes on the base notes make the scent your essential.

TROPICAL

Leave yourself to the tropical breeze...

The "Tropical Reed Diffuser" brought by LOREVA reveals the fresh fruit and flower notes. The tropical fruits affecting you from the very first moment make you feel like you are in a tropical forest when you close your eyes.

GREEN TEA

A relaxing atmosphere created by the sparkling lemon green tea...

The "Green Tea Reed Diffuser" brought by LOREVA gives you and your environment peace with its fragrance. The soothing effect of the green tea notes and the citrus notes from the upper notes provide liveliness and freshness and the green tea becomes an essential part of your life with the sparkling glow of flower notes on the heart note.

WATERMELON&MANGO

A sweet and hot dance...

The "Watermelon & Mango Reed Diffuser" brought by LOREVA gives the tropical effect of mango and coolness of watermelon. Enriched with papaya, ripe mango and watermelon, the jasmine and exotic flowers add a myth to this fragrance.

AMBER

Oriental breeze of floral and woody notes...

The "Amber Reed Diffuser" brought by LOREVA greets you as a luxurious, intensive and warm fragrance in brown and gold tones offering a unique velvety touch. The sophisticated amber will wake your senses and stimulate your mind thanks to its refreshing effect.

TURKISH HAMMAM

A soothing feeling of cleaning and hygiene...

The "Turkish Hammam Reed Diffuser" brought by LOREVA makes you feel the purity of traditional white soap. Its sharp and natural scent refreshes the space while giving you a sense of cleanliness. Its breeze takes you on a journey through time.

ORMAN MEYVELERİ

Özgür ruhunuzu orman meyveleriyle canlandırın...

LOREVA imzası ile ortamınıza gelen "Orman Meyveleri Ortam Kokusu"; vahşi ormanlarda yetişen yabani meyvelerde kendinizi bulacaksınız. Acımasız dikenlerin mucizesi böğürtlen, yer yüzünün süsü kırmızı meyveler ve baharın müjdecisi frezya ile birleşerek eşsiz bir dokunuşa dönüşür.

SÜMBÜL

Zambak ile harmanlanmış yabani sümbülün narin tatlılığı...

LOREVA imzası ile ortamınıza gelen "Sümbül Ortam Kokusu"; atmosferinizi kokusu kadar görünüşüyle de etkileyen sümbülün zengin özleriyle değiştirir. En güzel çiçeklerle yaban sümbülünün buluşması evinizi sarar.

BUKET

Kokusuyla olduğu kadar rengiyle de vazgeçilmeziniz olacak...

LOREVA imzası ile ortamınıza gelen "Buket Ortam Kokusu"; her biri farklı iklimlerde yetişen çiçekler ortamınızı çiçek bahçesine çevirir. Şakayık çiçeğinin üst notalarda yasemin, gül ve karanfil dip notalarda vanilya ile buluşması buket mucizesi olarak sizi karşılar.
